Subject: U&O FIP OAR Review update

Hi All,

I discussed next steps with Darryl Adams in OP. The U&O FIP was listed as Tier 3 and I submitted a justification for non-significance. This action will be sent with the next batch of non-significant actions to OMB in mid-December. Darryl said it was likely that OMB will request a briefing from Region 8, which we would do by teleconference. In the likely event that OMB wants to review it, we would send the draft proposed rule to OMB in early January. When the draft proposed rule is ready for concurrence, we will submit it through OAR to OP.

Our OGC contact is Rick Vetter and our OP contact is Jan Gilbreath.

Thanks,

Jody
